

33rd Annual conference of the International Association of Climatology

1-4 July 2020 - Rennes - France

Organized under the patronage of the AIC

by the LETG-Rennes laboratory at Rennes 2 University
one of the 6 components of UMR 6554 LETG
(Littoral, Environnement, Télédétection, Géomatique) of CNRS
member of the Observatoire des Sciences de l'Univers de Rennes (OSUR)

**First announcement
&
Call for papers**

<https://aic2020rennes.sciencesconf.org>
aic2020rennes@gmail.com

General theme of the conference

Climate change and territories

With 2 major themes:

and further sub-themes:

Climatic hazards / Climate and Health / Air Pollution
Climate and remote sensing / Climate modelling
Topoclimatology and agroclimatology

Conference venue

Pôle numérique, Campus Villejean, Rennes 2 University
Rennes, France

Conference coordinators

Valérie BONNARDOT & Hervé QUÉNOL

Conference organizing committee

Vincent DUBREUIL, Xavier FOISSARD
Roselyne BILLY, Claudie PERON
Jean NABUCET, Alban THOMAS
Sébastien BRUNEAU, Alain-Hervé LE GALL
Fanny GAUTIER, Gwenaël MORIN
Simon DUFOUR, Anne Julia ROLLET

International scientific committee

ARVOR Damien (Rennes2 University, France)
BARETTE Nathalie (University of Laval, Canada)
BEN BOUBAKER Habib (University of Manouba, Tunisia)
BIGOT Sylvain (University of Grenoble-Alps, France)
BOIS Benjamin (University of Bourgogne Franche-Comté, France)
BONNARDOT Valérie (Rennes2 University, France)
CAMBERLIN Pierre (University of Bourgogne Franche-Comté, France)
CANTAT Olivier (University of Caen-Normandy, France)
DAHECH Salem (University of Paris 7, France)
DROGUE Gilles (University of Lorraine, France)
DUBREUIL Vincent (Rennes2 University, France)
DOUTRELOUP Sébastien (University of Liège, Belgium)
EL MELKI Taoufik (University of Manouba, Tunisia)
ELY Deise (State University, Londrina, Brazil)
FALLOT Jean-Michel (University of Lausanne, Switzerland)
FORTIN Guillaume (University of Moncton, Canada)
FOURMENT Mercedes (University of Montevideo, Uruguay)
FRATIANNI Simona (University of Torino, Italia)
HOLOBACA Iulian (University of Cluj-Napoca, Romania)
KASTENDEUCH Pierre (University of Strasbourg, France)
KERMADI Saida (Lyon 2 University, France)
LEROUX Renan (Cirad, Montpellier, France)
MADELIN Malika (University of Paris 7, France)
MARTIN Nicolas (University of Nice Sophia Antipolis, France)
MENDONCA Francisco (Federal University of Paraná, Brazil)
MORON Vincent (University of Aix-Marseille, France)
NEETHLING Etienne (ESA Angers, France)
PLANCHON Olivier (University of Bourgogne Franche-Comté, France)
QUENOL Hervé (Rennes2 University, France)
RICHARD Yves (University of Bourgogne Franche-Comté, France)
ROME Sandra (University of Grenoble-Alps, France)
RONCHAIL Josyane (University of Paris Diderot, France)
SALOUI Abdelmalik (Hassan II University, Casablanca, Morocco)
SOUBEYROUX Jean-Michel (Météo-France Toulouse, France)
TOLIKA Konstantia (University of Thessaloniki, Greece)
TRABOULSI Myriam (Lebanese University, Lebanon)
ULLMANN Albin (University of Bourgogne Franche-Comté, France)
VISSIN Expedit (University of Abomey-Calavi, Benin)
ZAHARIA Liliana (University of Bucharest, Romania)

Oral communications or posters

Presentations can be made in the form of oral communications (15 mn plus 5 mn discussion) or posters (A0 format, portrait orientation).

Official languages of the conference

French or English

Submission of proposals

Authors are invited to register and submit a **abstract*** (2 500 characters at most) no later than the **22nd of November 2019**, via the conference website: <https://aic2020rennes.sciencesconf.org>
Participants may submit one proposal as first author only.

Selection of proposals, review & publication

Authors will be notified of their abstract approval on the 22nd of December 2019. The first author will then submit the **extended abstract*** (4 to 6 pages maximum) before the **14th of February 2020**, which will go through a review process.

The final text, approved by the scientific committee, will be **published in the Proceedings** of the symposium only on payment of the registration fees of the first author.

**Guidelines for authors (abstract and extended abstract) will be provided on the conference website (Opening in September).*

Registration fees

Fees in euros (€)	before 15/05/2020
- AIC Members ¹	180
- Non AIC members	270
- Citizens from country with non convertible currencies	100
- Students	

Registration fees include the access to the conference, a delegate's bag, the conference proceedings (USB memory stick, a paper version is available for an additional 20€), coffee breaks and three lunches (July 1, 2 and 3). Payment will be performed by bank transfer via the conference website. Banking details will be provided in the second announcement.

Scholarships

The AIC awards scholarships (that exclude travel expenses) to candidates who meet the following 3 criteria:

1. Originating from a country with a non-convertible currency,
2. Member¹ of the AIC,
3. And finally who have submitted a communication proposal as first author, which will subsequently have been accepted in due course by the scientific committee.

Candidates must submit their application before the **14th of February 2020** to the AIC secretary office.

For further information, please contact Sandra Rome, the AIC secretary at sandra.rome@univ-grenoble-alpes.fr

¹ The application form for the 2020 membership can be downloaded from the AIC website (www.climato.be/aic) and must be returned to the AIC treasurer (Valérie Bonnardot) valerie.bonnardot@univ-rennes2.fr

Accommodation

A list of hotels will be provided in the second announcement. Special rates are under discussion.

Post-conference visit

Following the conference, a scientific and tourist visit in the Gulf of Morbihan region will be organised on Saturday, the 4th of July 2020. An additional contribution will be requested to cover the related expenses (transport, lunch and entrance fees).

Information dissemination

Additional detailed information on accommodation, the gala dinner, the post-conference visit and other aspects of the programme will be posted on the conference website gradually. The second circular will be sent out by email during the course of December 2019 and the third circular including the final scientific programme in May 2020.

Deadlines to remember

9 September 2019	Opening of the conference website
22 November 2019	Deadline for registration and submission of abstracts (communication proposal)
22 December 2019	Notification to authors of abstract's approvals
14 February 2020	Deadline for sending the extended abstract (4 to 6 pages maximum)
14 February 2020	Deadline for scholarship application
15 May 2020	Deadline for registration fee for publication in the Proceedings
1 July 2020	Conference opening
